

Pak Kashmir Labour Party

Azad Jammu & Kashmir

Education Policy:

PKLP's Education Policy aims to

- Provide equal opportunity of quality education in a system which caters to every citizen and removes poverty as a barrier for children to realize their potential
- We are guided by the concept of an Islamic Welfare State following the vision of Mohammad Ali Jinnah and the philosophy of Allama Iqbal
- To Implement Education Emergency Plans
- One Education system for all
- Increase funding for education
- Adult education
- Teacher Training
- Information and Communication Technology
- All students in public and private schools to be assessed under one standardized assessment system
- Make schools a fun place
- Sports and extra-curricular activities
- Girls' Education
- Sports and Extra-curricular activities
- English Language Program
- Skill Development
- University Education
